* Maintenance Compliance Charge relates to the fees for various statutory inspections

The above figures are provided as a guide only and will be finalised as part of the commercial agreement (please download the rent model from Trading Information section for full financial details).

The above figures and the rent model assume that the agreement includes an arrangement to share machine income. All of our pubs in England & Wales are available without a machine income share agreement and this can be negotiated as part of the commercial agreement.

In order to ensure a successful start-up, all applicants must have a minimum £10,000 un-borrowed funds.

The Estimated Licensee Fixtures & Fittings (F&F) Value assumes that the pub will be let on a Rolling Tenancy or Business Start-Up Agreement, where we own the majority of the F&F. The F&F Value for Full Repairing & Insuring Leases will be significantly more.

The calculation of the Estimated Minimum Ingoing Costs assumes a minimum deposit of 1 month's rent or £3,000 (whichever is greater) and that fixtures and fittings (F&F) are rented. The subsequent deposit build up and F&F rental costs are not included in the rent model or ongoing costs below.

* All figures quoted are exclusive of VAT

** FMOP = Fair Maintainable Operating Profit

*** Deposit build up will be payable over a maximum of 24 months

**** Fixtures and Fittings annual rental fee should be estimated at 15% of the F&F value. The actual F&F value will be determined on the day of entry

***** Estimated Legal Fees is a charge applied to your account by SP&B for creation of your Lease. You are required to engage and pay for your own solicitor - your solicitor's fees are not included in the above estimate

***** The above figures assume that rent is billed weekly in advance and that Star Pubs & Bars retain ownership of large fixtures and fittings. Initial costs for a Fully Repairing and Insuring lease will be higher as rent is invoiced monthly in advance and all fixtures and fittings must be purchased
