Trading Area & Facilities

Trading Area & Facilities

Inside, the pub has a large spacious two area trading space linked with an innovative semi-outdoor rustic barn space that leads through to the main outdoor trading area and car park. Upstairs there is a function room with its own personal bar.

This pub is subject to a proposed refurbishment, the details of which are being worked up. While we don't have any further details to share right now, we are welcoming applications.

Applicants should be aware that all refurbishments are subject to final board approval which will be determined as part of the leasing process.

Where a significant investment is made in a pub by Star Pubs & Bars, an "Investment Exemption" will be required. The exemption means that the option of a Market Rent Option lease won't be available at rent review for a period of up to seven years for this site, as per The Pub Code (2016).

Private Accommodation

Private accommodation consists of three bedrooms, living room, kitchen and bathroom. In line with our Ready To Trade Promise, we will ensure that the private accommodation is brought up to a good standard so that you can focus on getting the business side right.

| Estimated Annual Maintenance Compliance Charge | £1,565 |
| Estimated Annual Accountancy & Stocktaking Charge (including tills) | £6,108 |

* Maintenance Compliance Charge relates to the fees for various statutory inspections

The above figures are provided as a guide only and will be finalised as part of the commercial agreement (please download the rent model from Trading Information section for full financial details).

The above figures and the rent model assume that the agreement includes an arrangement to share machine income. All of our pubs in England & Wales are available without a machine income share agreement and this can be negotiated as part of the commercial agreement.

In order to ensure a successful start-up, all applicants must have a minimum £10,000 un-borrowed funds.

The Estimated Licensee Fixtures & Fittings (F&F) Value assumes that the pub will be let on a Rolling Tenancy or Business Start-Up Agreement, where we own the majority of the F&F. The F&F Value for Full Repairing & Insuring Leases will be significantly more.

The calculation of the Estimated Minimum Ingoing Costs assumes a minimum deposit of 1 month's rent or £3,000 (whichever is greater) and that fixtures and fittings (F&F) are rented. The subsequent deposit build up and F&F rental costs are not included in the rent model or ongoing costs below.

* All figures quoted are exclusive of VAT

** FMOP = Fair Maintainable Operating Profit

*** Deposit build up will be payable over a maximum of 24 months

**** Fixtures and Fittings annual rental fee should be estimated at 15% of the F&F value. The actual F&F value will be determined on the day of entry

***** Estimated Legal Fees is a charge applied to your account by SP&B for creation of your Lease. You are required to engage and pay for your own solicitor - your solicitor's fees are not included in the above estimate

***** The above figures assume that rent is billed weekly in advance and that Star Pubs & Bars retain ownership of large fixtures and fittings. Initial costs for a Fully Repairing and Insuring lease will be higher as rent is invoiced monthly in advance and all fixtures and fittings must be purchased
